10

- (a) Democracy in India
- (b) Environmental Pollution
- (c) Science and Human Life
- (d) Computer in Today's Life

### Unit-III

3. Make a precis of the following passage and suggest a suitable title to it :

10

Debt makes everything a temptation. It lowers a man in self respect, places him at the mercy of his tradesman and his servant and renders him a slave in many respects, for he can no longer call himself his own master, nor boldly look the world in the face. It is also difficult for a man, who is in debt to be truthful; hence it is said that lying rider on debt's back.

(3)

The debtor has to frame excuses to his creditor for postponing payment of the money, he owes him and probably also to contrive falsehood. It is easy enough for a man who will exercise a healthy resolution to avoid incurring the first obligation; but the facility with which that has been incurred often becomes a temptation to second, and very soon the unfortunate borrower often become so entangled that no late exertion of industry can set him free.

### Unit-IV

4. (a) Read the following passage and answer the questions given below :

Globalization demands excellent quality goods and services. The prices also have to be competitive. Those who are eager to catch the international market must pay considerable attention to the cost efficient techniques of production, good quality, cost efficiency and cheaper rates are the three cardinal principles of successful competition in international market. And the entrepreneur should keep himself abreast of the latest technological changes if he wants to remain in such a market for a long time.

Answer the questions :

5

- (i) What does globalisation demand ?

(4)

- (ii) How can the international market be caught?
- (iii) What are the three cardinal principles?
- (iv) What should be the strategy of entrepreneurs?
