# 1. EXECUTIVE SUMMARY

---

## 1.1 INTRODUCTION

Education has no alternative in human life. In this area of pharasaon there were many economically backward young girls and boys willing to undertake higher education. In order to meet the growing needs of the people of Pharasaon and surrounding areas for higher education, Chaiytugayta (Alor) Government College, Pharasaon is established in 2013 as Government Naveen College Pharasaon.

Chaiytugayta (Alor) Government College is undergraduate college affiliated to shaheed Mahendra Karma Vishwavidyalaya, Bastar (Formerly Bastar Vishwavidyalaya, Jagdalpur). It offers UG Courses in Arts, Commerce and Science. It follows curriculum provided by Shaheed Mahendra karma Vishwavidyalaya, Bastar. The college has recognized under section 2(f) of UGC in 2022.

The College was initially started in a school campus; later in 2018 college is shifted to its own campus. Since then the college is trying to impart quality education in this part of the state. It has 9 classrooms, 3 laboratories, Library, Girls Common Room, Seminar Hall, NSS Room, open stage for cultural activities and indoor outdoor games facility for all round development of the students.

### Vision

#### "Yogah Karmasu Kaushalam"

Yogah is Excellence at work

The Vision of our Institution is Yogah Karmasu Kaushalam, Lord Krishna talks to Arjuna in Bhagwat Geeta chapter 2 , verse 50 about "Yogah Karmasu Kaushalam" .

This verse advices us to perform our allocated duty in an excellent manner. Kaushalam signifies doing work with devotion and without attachment i.e. without becoming a workaholic.

### Mission

- To provide facilities of higher education to the students of rural areas.
- To provide higher education at minimum cost.
- Developing human resource.
- To work for the personality development of the students.

- To guide the students for employment planning.

## 1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

### Institutional Strength

- College offering UG program in BA, B.Sc, B.Com.
- Transparent admission process.
- We believe in all-round development of students by exposing them various curricular, co-curricular and extra-curricular activities.
- There is no case of ragging and torture (Physical and Mental) in our college.
- The college has constituted grievance redressal cell for handling any kind of student grievances.
- It has a green and eco-friendly campus.
- Number of Girls student is more than the Boys Students
- College Promoting Gender Equality. There is no case of ragging and harassment along with co-education.
- College is located in tribal dominating area where tribal boys and girls get the opportunity of higher education.
- Clean and pollution free environment located on the National Highway NH-30.
- Right to Information and Public service guarantee Act is fully followed in the college.

### Institutional Weakness

- College infrastructure is good but it still needs to be improved.
- The college Library is equipped with sufficient number of books related to the course. However, the number of books, reference books etc. is still not enough.
- There is no departmental library.
- An insufficient ratio between students and teachers.
- Lack of ICT Facility for teaching learning process.
- There is no distinct boundary wall because there is some dispute between revenue department and villagers regarding area of college campus hence due to lack of clear land area no other construction and tree plantation have taken place.
- Lack of Auditorium, Hostel and organized playground.
- Lack of Participation in research papers and research projects by the faculty.
- Shortage of Ph.D. holder teacher.
- Power Backup facility is not available.

### Institutional Opportunity

- Introduction of more UG courses as well as skill-based courses to ensure greater student progression.
- Scope for introducing PG course in Arts and Science.
- Institutional Research Facility can be set up in order to attract the faculty members to undertake more research activities.
- Rural and tribal communities have better opportunities for higher education in this area.

- Scope to strengthen cultural and sport's talent.

### **Institutional Challenge**

- Limited academic infrastructure.
- Budget Constraint.
- Uncleared college land.
- Lack of Academic awareness in the students because most of them are from poor and rural background.
- More efforts is exercised to create interest for English subject among local students.
- To Maintain high Standard of Government College due to commercialization of education and changing values of society.

## **1.3 CRITERIA WISE SUMMARY**

### **Curricular Aspects**

Chaiytugayta (Alor) Government College Pharasgaon is affiliated to Shaheed Mahendra Karma Vishwavidyalaya, Bastar (SMKV, Bastar). Curriculum of the college offers General B.A. (Sociology, Economics and History), B.Sc. (Botany, Zoology and Chemistry) and B.Com. Programme. Syllabus for these programmes is prescribed by SMKV, Bastar.

The College is trying its level best to achieve excellence in teaching and learning. The Mission of the institution is to provide quality education to the students of rural & tribal backgrounds at minimum cost. The college offers programmes in Arts, Science, and Commerce. Syllabus of the programmes are reviewed and approved by the members of Board of Studies of respective departments involving various stakeholders including subject experts nominated by the Vice Chancellor of the University. Field work/Project work is carried out as part of curriculum.

The faculty members participate in workshops, seminars and conferences at various levels so that they may get well updated with latest developments to acquire latest information concerned with respective domains which could be deployed in updating the curricula in such a way that it could be compatible enough to meet the challenges.

For effective delivery of this curriculum our institution follows the following mechanism:

- Implementation of course curriculum and other activities in the college is done through the academic calendar issued by the Rajbhavan and higher education department of chhattisgarh.
- Principal and teachers organize meetings and prepare plans and other activities related to teaching work.
- Teachers regularly prepare lesson plans and daily diaries.
- Teachers and Students are regularly communicated about the change of Syllabus, so that they are updated. Teachers also attend Board of Studies Meeting in the University for the Modifications in the syllabus and enrich themselves in the subject concerned. Library maintains its record of usage by staff and students.

### **Teaching-learning and Evaluation**

The college caters to students coming from diverse socio-economic, cultural and rural backgrounds. At the beginning of each academic year, students are made familiar with the curriculum, criterion for internal assessment and the examination system of the university and college. The faculty recognizes the potential of students and tries to cater them according to their calibre.

Experiential learning is an important part of education through which students understand the concepts taught in theory. The college believes that Information and Communication Technologies (ICT) can be instrumental in experiential and participative learning. Our institution doesn't have ICT classrooms but our faculty members always encourage students to use their smartphones and other gadgets like- Tabs for their learning processes.

### **Research, Innovations and Extension**

Chaiytugayta (Alor) Government College,Pharasgaon is the college of Science, Commerce and Arts believe college can become a center of academic excellence with research culture, college is located in a rural and tribal area there is little scope for research, innovation and extension. However College always encourages its teachers to participate in research activities. Specific Set up for research is not available in the College.

The college has active NSS wing through which extension activities carried out such as "**Swachchhta Hi Sewa Hai**" campaign, AIDS Awareness, Traffic Awareness, Environmental Awareness, Electoral Awareness, People Health Awareness etc.

### **Infrastructure and Learning Resources**

The College has its own building with 9 classrooms, 3 laboratories, Library, NSS Room, Girls common room, Seminar hall, open stage area and Office rooms. College Building is maintained by State PWD Department, all type of construction and maintenance is under their responsibility. The College has no Boundary wall due to some dispute between revenue department and villagers regarding area of college campus, once it clears boundary wall for the college will also be constructed. The College library has sufficient number of books but it is not enough, library committee is planning to buy new books and journals so it can help the students for their career. There is 3 Laboratories in the College with sufficient number of equipment's for practical work. Girl's Common Room is also available which can be used by female staffs & students.

Due to some dispute there is no fix boundary or ground is available but college uses the surrounding area of college as playground. Students are allowed to play outdoor games like Kabaddi, Kho-Kho, Volleyball etc. in this play ground. Indoor games (like Carom, Chess) are also available in the college. Seminar Hall and open stage is available for different type of cultural and extracurricular activities.

Classroom has enough space and sufficient number of furniture for smooth teaching learning process; students are allowed to issue books from the library.

Priestly available infrastructure is sufficient for smooth running of BA, B.Sc. and B.Com. courses.

Internet and ICT tools are presently available for official usage only, however college has raised this point in many meetings and trying to raise funds for ICT facility so it can be used for teaching learning process.

Presently teachers are using their own smartphones for demonstration and other teaching process whenever required.

### **Student Support and Progression**

The College believes in all round development of students and tries to uplift the tribal, rural students so they can come together and help to create a better nation.

Admission process in the college is done by online process. Students apply for admission from the university website, all the guidelines are provided by the university regarding admission however college has established a helpdesk in the college. which is helpful for new students who came for admission or any other enquiry.

Information regarding admission fee, syllabus of the course, staff details, code of conducts for the students are available of college website. Eligible students can get financial assistant in the from of scholarship from state government sponsored scheme. Sometimes it also happed that some of the students were financially supported by the principal who were not able to pay their fee.

For all round development of the students many extracurricular, cultural and sports activities are organized in the college.

Students of our college are mostly come from the rural and tribal areas were they use Halbi, Gondi, and local languages for communication. So their Hindi and English accent is not clear, So college organizes extra classes to improve their language accent more clear and audible.

College also organizes career counseling were they are guided about the opportunities available for their career and many more.

### **Governance, Leadership and Management**

The governance, leaderships and management is an important aspect to develop the College. This is done through planning, financial management and overall works related to college development with the support of Department of Higher Education and Government of Chhattisgarh. All The major decisions about finance, infrastructure and transfer-posting, post sanction, commencement of new courses or programme are handled by Department of Higher education Chhattisgarh. However Academic, co-curricular and extra-curricular activity is carried out under supervision of Principal with the help of different committee. Moreover operational autonomy is provided to the individual departments. The progress is monitored and corrective measures are taken. In staff council meeting every participating member is free to express his opinion. The Principal is the Head of the institution who takes the lead in the governance and management of the college. The work of the college administration is decentralized and many subcommittees are formed at the beginning of the academic year to support the system.

## **Institutional Values and Best Practices**

The institutes have been taking various initiatives from time to time for improving the learning level of students. The institute has been organizing many socially relevant activities such as gender equity, safety, cleanliness drives etc. National voters' days. The institution is concerned about gender equity and environmental issue. To address the concern college conducts program on educating girl child, woman legal right through the woman development cell. Moreover, college has committee against sexual Harassment, anti-ragging to look after different gender related issue.

The College is adopting various practices to improve the quality of the education.

Celebrating important days to make the students aware about the glorious past and to develop human values through the various activities which is organizes in these days, participating in these activities student can develop their skills, overcome from the fear of stage and also show their talent in that field according to their interest.

Career Counseling is also a big step in the college because most of the students in the college are come from rural and tribal areas, and due to the lack of knowledge students are not able to decide what to do after their graduation. So college organizes career counseling where different topics like - Interview skills, communication, career opportunities in local, national and abroad, what after graduation, etc. were discussed. It helps students to choose their career.

**1.3 Curriculum Enrichment****1.3.1 Institution integrates crosscutting issues relevant to Professional Ethics ,Gender, Human Values ,Environment and Sustainability into the Curriculum****Response:**

In Chaiytugayata (Alor) Government College Pharsgaon we educate students to understand self, society at large and environment to make them responsible citizens. The syllabi of History, English, Sociology and Environmental Studies cover the issues relating to gender, environmental and sustainability.

**Gender:**

The course of Gender is a very sensitive issue. To make gender perspective becomes critically exposed liberally connoted and made out by the student, the courses in History, Sociology and Environmental Studies are instructed distinctively.

Lectures and speeches by Paralegal volunteers in different classes are conducted by the college to increase awareness and understanding of issues like gender equality, discrimination basing on gender, sexuality and all of that.

Each and every year we celebrate Women's Day to make our students aware of their rights and responsibilities thereby empowering them. NSS units of the College also take up programmes on gender issues and make their volunteers pro-active to handle the gender issues.

#### **Environment & Sustainability:**

There is the mention of Environmental Studies as a compulsory paper in all programs to impart the latest knowledge regarding the environments. The students have been habituated to keep our college campus neat and clean as it is marked as plastic free, no-smoking and no tobacco zone.

#### **Human Values & Professional Ethics:**

## 2.2 Catering to Student Diversity

### 2.2.1 The institution assesses the learning levels of the students and organises special Programmes for advanced learners and slow learners

**Response:**

In Chaiytugayta (Alor) Government College Pharasgaon the students take admission through online mode on the basis of their merit and reservation policy mandated by Govt. of Chhattisgarh and the regulations and rules of the Shaheed Mahendra Karma Vishwavidyalaya, Bastar. The eligibility criteria for admission are announced by the Vishwavidyalaya from time to time in adherence to guideline of the State Government and Executive Council of the Vishwavidyalaya. After the completion of admission class wise induction programmes are organised in order to make the students aware about the course planning, teaching-learning methods and academic calendar. All these are done through interactive procedures among the teachers and students.

Surprise test of the students are taken class wise in order to check their knowledge and learning capabilities. They are also asked to write brief notes on any given topic. In these ways the advanced learners and the slow learners are identified and further special teaching-learning programmes are arranged for both the learners in accordance of their learning capabilities.

**Programs for slow and advanced learners:**

- Students are encouraged to take part in activities such as group discussion, seminar, quiz and essay writing.
- The slow learners are given additional learning.
- The teachers take additional classes to helping them with additional time and personal interest.
- Skill development and career guidance programmes are arranged for students.
- Surprise tests are conducted to find out the problems regarding the students.

In Chaiytugayta (Alor) Government College Pharasgaon the teachers follow the student centric methods as teaching-learning process. We believe in Student centric learning. Curricular, Co-curricular, Extra-curricular activities help in achieving experiential learning, participative learning and problem solving capabilities. Each class is given time span of one hour. The teachers are given full freedom to manage and handle the classes and execute the teaching-learning process effectively. Students are always inspired and urged to interact with their respective teachers to create an interesting learning atmosphere. The teachers follow the methods such as experiential learning, participative learning and problem solving methodologies while teaching for enhancing learning experiences.

The teachers use the experiential learning methodology that is the teachers always give or try to give the real life and day to day examples to the students while imparting any lesson. They explain the topic they are teaching with practical experiences and examples in an interesting way which is the cause for drawing attentions of the students and make them interested in the subject they are studying.

Students are encouraged to give seminar presentation on the topics of their interest by referring various books, discussing with peer group and teachers. This helps students well to develop self-confidence and overcome stage fear.

- To make learning more student's centric skills are promoted and developed through the seminar, group discussion, debate, Quiz Contest, various competitions, etc.
- The traditional lectures method is supplemented by all the teachers. This method facilitates or teachers to interpret explain and revise the content of a text for a better understanding of the subject by the learner use of internet, reading and writing skills.
- Students learning are empowered by preparation of note through internet, and book.
- Teachers and students are also encouraged to use internet and smart mobile to keep themselves abreast of the latest development.
- The classes are usually interactive with the students coming up with their own view innovative ideas and viewpoints with the guidance of the teacher.
- Through the various clubs such as cultural committee, eco-friendly club, NSS club students are given the opportunity to participate in many activities thereby promoting independent learning.
- Project works and field works are undertaken in Environmental Studies for students of all the streams.

## 2.5 Evaluation Process and Reforms

### 2.5.1 Mechanism of internal assessment is transparent and robust in terms of frequency and mode

**Response:**

- The college has initiated continuous and comprehensive internal evaluation in accordance with the norms and guidelines of Shaheed Mahendra Karma Vishwavidyalaya, Bastar.
- The benchmark of the evaluation includes practicals, projects, assignments/oral presentations and the score secured in the internal tests.
- The question papers for the internal examination are prepared in a uniform pattern and as per the guidelines of the University.
- The exam is conducted on a common schedule and supervised by the teaching faculty.
- The syllabus for the internal examination is communicated to the students in advance by the concerned subject teacher. The answer sheets are shown to students after evaluation for their information which provides transparency and accountability in the evaluation process. The doubt and enquiries of the students regarding the pattern of optimal answers are clarified by the examiners/ departmental teacher.
- Mobile phone and electronic gadgets are strictly prohibited in the examination hall.

In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time. The Principal take meetings of the faculties and directs them to ensure

effective implementation of the evaluation process.

The method of internal assessment helps the teachers to evaluate the students more appropriately. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased.

### **2.5.2 Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient**

#### **Response:**

The internal examination related grievances of the students are addressed at the college level. The students are provided with the corrected answer-scripts of all internal examination by the relevant faculty members. The doubt and queries of the students regarding the pattern of optimal answers are clarified by the examiners. If there is any tabulation related error in the assessment, corrections are duly made by the examiner and the corrected mark is officially posted against the name of the concerned student.

If there is any grievances related to the University examinations students can forward/apply directly to the university. Regular monitoring is done by consulting with the controller of examination of Shaheed Mahendra Karma Vishwavidyalaya, Bastar.

## **2.6 Student Performance and Learning Outcomes**

### **2.6.1 Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.**

#### **Response:**

#### **7.1.9 Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens (within 500 words).**

##### **Response:**

India, as a country, includes individuals with different backgrounds viz., cultural, social, economic, linguistic, and ethnic diversities governed and guided by the Constitution irrespective of caste, religion, race and sex.

The Indian education system always helps its individuals to develop human values by training the students to make the worthy citizen of this country. **Chaiytugayta (Alor) Govt.College Pharasgaon** always looks after the process of sensitization of its teaching and non-teaching staff as well as students to inculcate all those democratic, constitutional and moral values. To equip students with the knowledge, skill, and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective, supportive, safe, accessible, and affordable learning environment. These elements are inculcated in the value system of the college. The students are inspired by participating in various programs on culture, traditions, values, duties, and responsibilities by inviting prominent people.

NSS wing is also working to inculcate all the values among the students. The NSS wing organizes programmes like Health Camp, Cleanliness Programme. These programmes help to inculcate the values like sense of responsibilities, dignity of labour etc. The NSS wing has adopted one village where many types of programmes are organized throughout the year. They organize various types of awareness programmes like HIV AIDS awareness, adult literacy awareness, child welfare etc.

The college organizes various programmes on the events like Independence Day, Women's Day, Teachers Day, Gandhi Jayanti etc. In all those programme the initiatives are taken to develop all those socio-

economic, cultural, democratic and constitutional values. The teachers also actively participate in those programmes and guide the students in every possible way.

### 7.3 Institutional Distinctiveness

#### 7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

##### Response:

**Chaiytugayta (Alor) Govt.College Pharasgaon** is committed to provide quality education in this tribal region in diverse immersing fields and give appropriate platform for co-curricular and extracurricular activities. The students get the meaning full education and develop their personality, so that they could contribute to Socio-Economic progress, as majority of students of this college belongs to economically backward and tribal families.

Being tribal dominating area most of the students are from rural and economically backward background, the local language which they use among their society is **Halbi and Gondri**. Most of the time they speak in these languages only hence their pronunciation and accents of Hindi and English are not very clear and audible. This is one of the major problems of this tribal area which we are facing. Special measures are taken for the rectification and improvement of these lapses by conducting additional classes of accents and vocabulary by Hindi and English faculty members.

Institution informs the students about the various opportunities available in the local level, country level and abroad through career counselling so that they can make their future according to their interest and efficiency.

Many efforts are being made for the past few years to develop the infrastructural facilities. The college

provides physical infrastructure facilities such as adequate number of Classrooms, Office Rooms, Laboratories, Girls' common Room, NSS Room, Seminar Hall and Library.
