7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Apart from academic training, the college is committed to developing the overall personality of the students. several initiatives have been taken up based on locational advantages and Disadvantaged.

1. College staff has started donation of specimen copies (extra textbooks) and other good books in the college library for the poor students and other students for their convenience we are also planning to provide useful notes for the students in the library.
2. To equip students with the knowledge, skills and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective and supportive, safe accessible and affordable learning environment we are also recycling the papers which have already been used in one side during typing. The rear side of the typing paper is used again for fresh typing with new notes.

In this way the two major best practices are in practice in our organisation.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Chaiytugayta (Alor) Govt.College Pharasgaon is committed to provide quality education in this tribal region in diverse immerging fields

and give appropriate platform for co-curricular and extracurricular activities. The students get the meaning full education and develop their personality, so that they could contribute to Socio-Economic progress, as majority of students of this college belongs to economically backward and tribal families.

Being tribal dominating area most of the students are from rural and economically backward background, the local language which they use among their society is Halbi and Gondi. Most of the time they speak in these languages only hence their pronunciation and accents of Hindi and English are not very clear and audible. This is one of the major problems of this tribal area which we are facing. Special measures are taken for the rectification and improvement of these lapses by conducting additional classes of accents and vocabulary by Hindi and English faculty members.

Institution informs the students about the various opportunities available in the local level, country level and abroad through career counselling so that they can make their future according to their interest and efficiency.

Many efforts are being made for the past few years to develop the infrastructural facilities. The college provides physical infrastructure facilities such as adequate number of Classrooms, Office Rooms, Laboratories, Girls' common Room, NSS Room, Seminar Hall and Library

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The college implements the quality policy through IQAC. The college IQAC is the basic advisory body to review the quality of the teaching-learning process of the college. Initially, the IQAC follows the academic calendar provided by Shaheed Mahendra Karma Vishwavidyalaya, Bastar to plan yearly teaching learning process.

The performance of the student in an internal exam gives the concrete idea to the teachers about the areas where the student needs to help with extra classes. From the session 2020-21, the feedback is taken from Student about the teaching-learning quality and college atmosphere.

Maximum students of this college come from poor economic background. This college located in tribal area where significant numbers of tribal people is illiterate. In order to bring them to main stream only good education is way. Thus the IQAC instruct the faculty member to encourage the students to use technology, online study platform for their learning and competitive exam preparation

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Apart from academic training, the college is committed to developing the overall personality of the students. several initiatives have been taken up based on locational advantages and Disadvantaged.

1. College staff has started donation of specimen copies (extra textbooks) and other good books in the college library for the poor students and other students for their convenience we are also planning to provide useful notes for the students in the library.
2. To equip students with the knowledge, skills and values that are necessary for sustaining one's balance between a livelihood and life by providing an effective and supportive, safe accessible and affordable learning environment we are also recycling the papers which have

already been used in one side during typing. The rear side of the typing paper is used again for fresh typing with new notes.

In this way the two major best practices are in practice in our organisation.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Chaiytugayta (Alor) Govt.College Pharasgaon is committed to provide quality education in this tribal region in diverse immerging fields and give appropriate platform for co-curricular and extracurricular activities. The students get the meaning full education and develop their personality, so that they could contribute to Socio-Economic progress, as majority of students of this college belongs to economically backward and tribal families.

Being tribal dominating area most of the students are from rural and economically backward background, the local language which they use among their society is Halbi and Gondi. Most of the time they speak in these languages only hence their pronunciation and accents of Hindi and English are not very clear and audible. This is one of the major problems of this tribal area which we are facing. Special measures are taken for the rectification and improvement of these lapses by conducting additional classes of accents and vocabulary by Hindi and English faculty members.

Institution informs the students about the various opportunities available in the local level, country level and abroad through career counselling so that they can make their future according to their interest and efficiency.

Many efforts are being made for the past few years to develop the infrastructural facilities. The college provides physical infrastructure facilities such as adequate number of Classrooms, Office Rooms, Laboratories, Girls' common Room, NSS Room, Seminar Hall and Library
